Release Notes

AUGUST 19, 2021

Table of Contents

Resolved Cases

The following is a list of resolved cases for the past month. If you have any questions regarding this maintenance release, please contact e-Builder Technical Support.

API

Case #	Resolution Notes
408849	Now, projects are successfully created even when no custom fields are sent in the createProject request payload.

Bidding

Case #	Resolution Notes
428674	Resolved an issue where the Items per page drop-down list field was not displayed after loading the Bid Q &A page.

Cost

Case #	Resolution Notes
421622	Resolved user interface issues that were hindering the ability of users to edit and save entries while updating a forecast.
425505	Resolved an error that occurred when importing general invoice status changes, when funding is enabled on the invoices.

Documents

Case #	Resolution Notes
425570	Updated a conversion component to alleviate an error on uploading some MS Excel files to the Documents module.
428396	The Download All link now works as expected in the Comments tab of forms.
439436	Resolved an error that prevented users from accessing the Public Folder URL link.

Forms

Case #	Resolution Notes
422780	Forms that contain a default CC role will no longer lose the CC information when an attachment is added to the form prior to submitting the form.

Processes/ Workflow

Case #	Resolution Notes
419897	Resolved a calculation error that occured when grouping by Commitment Item or Invoice Item Value was collapsed. The system now calculates the correct footer column total in the invoice item grid.
434597	Resolved erroneous workflow validation checks when publishing DocuSign integrated process workflows.

Projects

Case #	Resolution Notes
429697	For the Sent Items in the Documents module, the recipients of recent messages were not being displayed in the history list, even though the message was sent correctly. The history view has now been corrected.

Reports

Case #	Resolution Notes
426545	Corrected a schedule import error that caused duplicate rows of tasks on Standard Reports.

Search

| Case #	Resolution Notes
429042	Resolved an error in the global search for projects when using the "-" search parameter.

Your Opinion Matters

We rely on your feedback to better serve you. If you have ideas about improving our product or service, please don't hesitate to let us know. Below are four ways to reach us.

- **Like/Dislike** 👍 Like 👎 – Located in the banner of e-Builder Enterprise™ are like and dislike buttons. Click these to express your opinion of a particular page. This feedback is used to help prioritize upcoming product enhancements.
- **e-Builder Product Ideas** – The Product Ideas portal gives you a platform to share your thoughts on how to make e-Builder better. You can read and vote on the ideas of fellow e-Builder users or post your own. The number of votes is one of the factors considered when forming e-Builder's roadmap. To access the Product Ideas portal, click the arrow next to your username within the banner of e-Builder Enterprise, and then click Product Ideas.

- **Support** – Our Support staff is always available to meet your needs. To speak to a live customer service representative, call us within the U.S. at 888-288-5717 and outside of the U.S. at 800-580-9322, or email us at support@e-builder.net.
